Newsletter – 2 August 2024

Kia ora e te whānau

Term 3 has started well with the number of students with an attendance rate of 90% plus increasing. This means we have more students in class learning and making the most of the opportunities presented to them at school. Our senior students have had a good number of NCEA credits added over the last two weeks and a summary of their results can be found later in the newsletter.

We are very proud of the achievements of our students; we will continue to celebrate the students who gain Excellence grades in assessments during whole school assemblies. Our next whole school assembly is Week 7. Parents and whānau are welcome to join us for our celebrations.

Last term we all spent a lot of time making sure our students were in the correct uniform. We are very grateful to all students and whānau that worked with us to make this happen. We will continue to support students in this area whilst upholding our high expectations. Our students look fantastic in their uniform around school. The next challenge is for our students to take these high expectations into our community. They should always be wearing their uniform with pride; this includes on the way to and from school.

This week we had our annual winter sports exchange with Waiopahu College. I was so impressed with the behaviour and sportsmanship of our students. They certainly displayed our school values of Aotea, Taupaenui and Paepae during the exchange. Unfortunately, we narrowly lost the exchange 3-2. Our students and staff enjoyed the day and meeting students from Waiopahu College. We have two more winter sports exchanges this term: Whanganui High School for the senior teams and Manukorihi Intermediate for our Year 7 and 8 students.

Thank you to all parents and whānau who attended our parent teacher interviews in week one. It was great to connect with you to discuss your child's learning. If you were unable to connect at this time and would like to connect with a specific teacher, please email or ring the office or email the teacher directly. Parent portal is also a great resource for parents to access attendance and assessment grades. If you have forgotten your login, please contact the office.

This week we had the Attitude team deliver the following presentations to our students:

- Year 7/8 Tackling Technology - Safety, Social media and Bullying
- Year 9/10 Hardwired - Drugs, Alcohol and Peer Pressure
- Year 11/12/13 Relationships with Attitude

ERO research on Relationships and Sexuality Education

Our school has been selected to take part in national research by the Education Review Office, about Relationships and Sexuality Education. This means that some students may be invited to take part in focus group interviews early next term, that will ask them simple questions about their teaching and learning related to this area of the curriculum. The interview questions are designed to be appropriate to their level of the curriculum.

If your child is to be invited to take part in a focus group, you will be asked to provide your consent first. The ERO team will be at school on 9 August to undertake this research.

School Policies

The school has a subscription with SchoolDocs to maintain, update and review our policies. SchoolDocs provide us with a comprehensive core set of policies that are well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school and we supply specific information such as our charter together with procedures for behaviour management, reporting to parents, etc.

SchoolDocs update, modify or create policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools and regular reviewing from the SchoolDocs team.

The tuakana–teina relationship, an integral part of traditional Māori society, provides a model for buddy systems. An older or more expert tuakana (brother, sister or cousin) helps and guides a younger or less expert teina (originally a younger sibling or cousin). In a learning environment that recognises the value of ako, the tuakana–teina roles may be reversed at any time. For example, the student who yesterday was the expert on te wā and explained the lunar calendar may need to learn from her classmate today about how manaakitanga (hospitality) is practiced by the local hapū.

Cell Phone Implications

Our front office staff are finding it difficult to locate students during break times if they need to leave school for appointments. Please communicate to your child before school if they have an appointment that day. Alternatively, please communicate your child's appointment time to the office outside of break times so they can get a message to their classroom.

Break times are **Morning tea 11.15am – 11.45am / Lunch 1.15pm – 1.45pm**

Confiscated Cell Phones

First time offence: Student cell phones can be collected by students at the end of the day. If a student is leaving early during the day, the office will ring home to confirm the student is not returning later in the day before they will issue them their cell phone.

Second and subsequent offences: Student cell phones will need to be collected by a caregiver. If they are leaving early, a parent will still need to come to school to collect their phone.

Attendance and Engagement

The Ministry of Education has released the following guide to help support parents and caregivers to have their children attend school and develop habits of regular attendance.

IMPORTANT Uniform Information

It is a Board of Trustees expectation that all students wear our new Te Paepae o Aotea school uniform correctly. Almost all our students now have the full correct uniform and are wearing it with pride at school and out in the community. We will continue to support students that need it into the new Te Paepae o Aotea uniform. Please get in touch with us urgently if you need our support.

It is important to note that we will implement our new school wide uniform procedure from Day one of Term three. Just like our Cell Phone procedure, it has a tiered approach.

Incorrect Uniform – Procedure

1. Incorrect uniform – student has a note/email/contact from home – Uniform Pass given for the time.

ACADEMIC LEADER

Kaia Silva

Kia Ora,

Welcome back to term three. I hope you all made the most of the holidays and are ready to get back into it! This week for Spotlight On we have a piece about the nursing profession. Be sure to check this out if this might interest you. Today the juniors compete in Mathletics quiz. Good luck to them and bring your A game!

For seniors, mock exams are just around the corner. It's important to start thinking about these now. Make a revision schedule and figure out what kind of study benefits you. There are many different ways to prepare for exams including: past papers, cue cards, making notes, flowcharts or different diagrams. Do yourself a favour and get started now, rather than leaving it all till the last minute.

Ngā mihi
Kaia Silva

COMMUNITY LEADER

Emilia Scott

Kia Ora,

It's great to see everyone back for the start of term 3. Year 13s, this is your last full term of school. Make the most of this time. This is a busy term for everyone. We have many of our sports teams off representing our school at school exchanges and tournaments.

We have our music awards at the end of August, our school shavathon, senior practice exams and much more. There is lots going on and I encourage you all to get involved and make the most of all these opportunities available.

Ngā mihi
Emilia Scott

SPORTS LEADER

Sha-meel Chengan

Kia Ora,

We are now one week in and already a lot is about to kick off. Monday, we had town vs country hockey and basketball. Congratulations to country who comfortably took the win in both sports. Netball and rugby are still to come, offering town a chance to even it out.

Wednesday was the Waiopahu exchange - well done to all the teams that took part and played for the badge, giving it their all until the final whistle. Netball A took the win, along with a comfortable win for our Senior A Girl's basketball, 53-19. 1st XI Girls Football suffered a 4-0 loss along with the Senior Boys Basketball team 45-86, with it being 2-2 it was down to the rugby to bring it home. After a scoreless second half the damage was already done in the first as Waiopahu held on winning 32-7 in a very physical game. We look forward to seeing our teams getting back out there as next week we head to Wanganui.

All the best to our students representing Te Paepae o Aotea in squash in Wellington. We wish them good luck..

Ngā mihi

CULTURAL LEADER

Tamati Horo

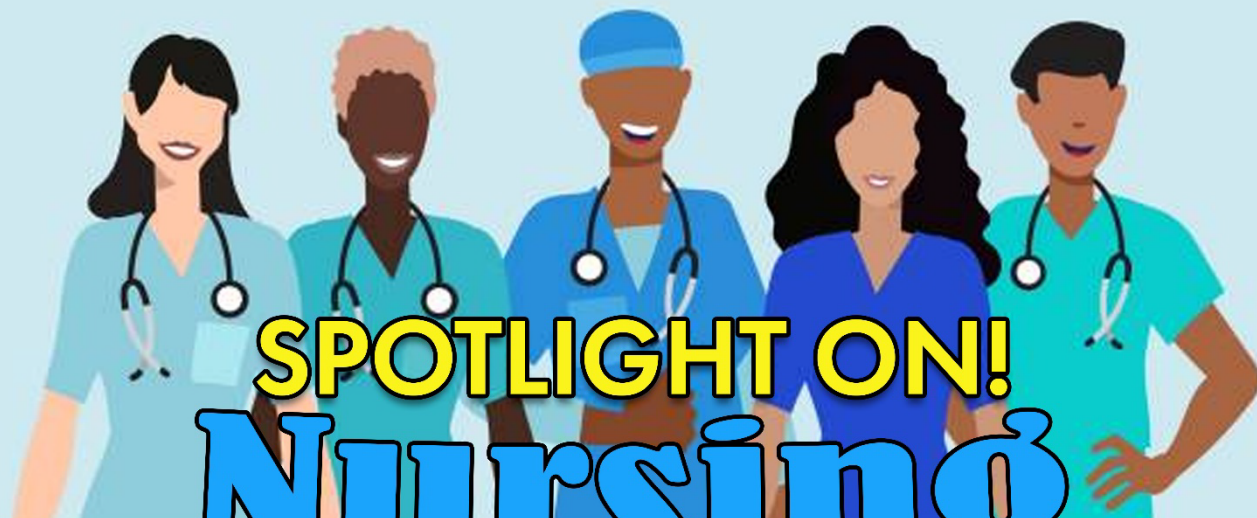

Kia Ora,

Welcome back hope you all had a great break and are ready to get back to learning. This term is very busy, especially for the senior school with practice exams coming up soon so make sure to get all your internals finished so you can focus on exam prep. Coming up in week 6 we have the awa Kapa Haka competition. I really look forward to seeing what each awa comes up with. Remember, the compulsory item is the haka E Kore. Practices start week 3 and judges will be confirmed by next week.

The cultural committee will be organising some LRA for this term, with classics like Karaoke, and a few new ideas from the cultural team. Another big thing happening this term is the music awards. If you can sing, or play an instrument, give it a go because there are some amazing cash prizes up for grabs. Even if you've never done something like it before, I know we have some talented students at this school who are too shy to perform, so I encourage you to get out there and give it a go.

Remember make the most of any opportunities thrown your way because it may change your life.

Ngā mihi

SPOTLIGHT ON! Nursing

Briar Elgar REGISTERED NURSE

1. Did you envision yourself in this career?

Yes, I had envisioned myself in this sort of career. There were a few choices I had in mind, but being a Registered Nurse appealed to me the most.

2. How did you end up in this position?

It was a growing field and I saw the opportunities linked with the career itself. The opportunities that really stuck out to me were nursing flexibility in terms of travel and location, it allows you to expand your knowledge constantly and it is rewarding yet also challenging.

3. What would you say is the hardest part of this career?

Dealing with family and patients where emotions are heightened and their response can fluctuate and be unpredictable.

4. What are some benefits of this job?

The job itself is rewarding. Whether you assisted in providing treatment to patients or had a conversation with a lonely person and brightened their day, you contributed to making a positive difference.

5. What would you rate your job?

Overall, 8.5/10, but as with any job, there are good and bad days.

6. What is the range that you could earn in this career? (entry level vs experienced)

Entry Level: \$78,000. Experienced: Up to \$153,000 depending on nursing position and years of experience. This is all before tax.

7. What did the training entail?

Three years of university which included practical and theoretical exams and simulation labs. Also, multiple placements throughout your 3 years of training.

8. What skills help you in this job?

Being a people person is beneficial. Empathy, kindness, good listening skills and a sense of humour all go a long way.

9. What is your favourite aspect of this job?

Personally, I enjoy the gory stuff. Wounds are fascinating and applying wound dressings can be satisfying. But, overall, I appreciate the teamwork and meaningful connections you make with both your colleagues and your patients.

10. In high school, what are some opportunities that could help put people ahead?

Prerequisites include taking a science and having fundamental math skills.

Te Paepae o Aotea Taupaenui Badges are our homework program for year 7 & 8 students.

What are Taupaenui Badges, you ask? Well, imagine a treasure trove of fascinating homework projects, each one a shiny badge waiting for you to earn. From the depths of history to the wonders of science, and everything in between, there's a badge for every curious mind.

Here's how it works:

Taupaenui Badges is completely optional, but oh-so-rewarding! You get to choose which badges you want to tackle, whether it's diving into the mysteries of space or uncovering the secrets of ancient civilizations. Each badge comes with a variety of tasks, each worth a different number of stars.

Your mission, should you choose to accept it, is to complete a total of 20 stars' worth of tasks to the best of your ability. Don't worry, you can complete them either digitally or with good ol' pen and paper – whatever suits your style!

Once you've conquered your chosen tasks, it's time to submit them to the one and only Mrs Surgenor for marking. If your work shines bright like a star in the night sky, you'll be rewarded with a certificate of achievement and, drumroll please, your very own Taupaenui badge!

Picture yourself proudly wearing that badge at the next Awa assembly, knowing that you've ventured into the realms of knowledge and emerged victorious.

So, what are you waiting for? Let the quest for Taupaenui begin!

Dive in, explore, and let your curiosity guide you to greatness. The adventure awaits!

TE PAEPAE O AOTEA

Kia eke atu ki Taupaenui o te tangata

Te Paepae o Aotea promotes our school values (Aotea, Taupaenui and Paepae). We show **Taupaenui** by being the best version of ourselves. This applies to players, referees, coaches, managers, administrators, and all personnel involved with our sport teams.

Our guidelines outline how we help, cheer and celebrate from the side lines demonstrating **Taupaenui** within our sport.

Taupaenui means we will:

- Respect all players, referees, coaches, managers and supporters.
- Cheer the efforts of all players, including the opposition because we're all doing our best.
- Support the coaches and managers. They are volunteers.
- Keep all communication and actions positive in our environment.
- Show others that we know the meaning of **TAUPAENUI**.
- Celebrate the fact that we have the opportunity to watch our rangatahi enjoy themselves.

Showing **Taupaenui** means that we value, we support, we unite in good sportsmanship on and off the field. We will strive to reach our full potential in a positive and supportive environment.
