*Kia eke atu ki Taupaenui o te tangata*

## Newsletter – 27 September 2024

Kia ora e te whānau

Thank you for your continued support of the school. We have had a wonderful term. We are grateful for the wonderful opportunities our students have made the most of. They have finished their winter sports well, excelled at Kapa Haka, sat CAA (Numeracy and Literacy tests), sat practice exams and showed commitment to their learning in class. We are proud of all our students who continue to display our school values of Aotea, Taupaenui and Paepae.

Attendance needs to remain a key focus; we know if students are present at school and engaged in their learning, they will gain their qualifications before leaving school. Our students should be aiming to leave Te Paepae o Aotea with Level 2 as the minimum qualification they receive. Research has shown that students who leave school with Level 2 or higher will have better outcomes throughout their life. We will continue to strive for this for all our students.

Next term is all about transitions. New students coming to Te Paepae o Aotea will spend two days on site working with our staff in Term 4. These visits are to build confidence in our new students so they feel comfortable in our environment from the start of 2025. If you know students attending Te Paepae o Aotea next year, please encourage them to enrol. The easiest way is online on our website. We have visited our feeder schools and students have taken home a prospectus and enrolment form, so if you prefer the paper version, this can be returned to the school office.

Next term senior classes finish Wednesday, 30 October. They only have two weeks and two days left of classes. Senior students should be making the most of their time in these last couple of weeks to connect with their teachers to ensure they are fully prepared for their examinations starting on 5 November. All senior students should use their holiday time wisely to prepare for these examinations. Parents should be checking parent portal on a regular basis to keep an eye on student credits as well as checking to see their progress towards gaining Merit and Excellence course and certificate endorsements.

Term 4 will be an exciting time for our junior students. They have camps in Week 8 and previously in Week 7, TSSSA modified sports for the Year 9 and 10 students. Junior students will also have their timetabled modified during Term 4 once seniors leave to allow specific work to be completed for each year group. This will help our Year 10 students get a taste for NCEA and help them transition to the senior school in 2025. Our other three-year groups will also have specific objectives set for them during this time which will be valuable prior to 2025.

We hope all students have a wonderful break and we look forward to them returning to school in Term 4.

Ngā mihi  
Rachel Williams

## Timetable 2025

Changes have been made to the school timetable for 2025 following the collection of student, whānau and teacher voice. Changes have also been made due to the uncertainty of the lunches in school programme. We will share information with our school community about lunches in school as soon as we are able.

## School Policies

The school has a subscription with SchoolDocs to maintain, update and review our policies. SchoolDocs provide us with a comprehensive core set of policies that are well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school and we supply specific information such as our charter together with procedures for behaviour management, reporting to parents, etc.

SchoolDocs update, modify or create policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools and regular reviewing from the SchoolDocs team.

We invite you to visit the site at <https://tepaepaeoaotea.schooldocs.co.nz>

The tuakana–teina relationship, an integral part of traditional Māori society, provides a model for buddy systems. An older or more expert tuakana (brother, sister or cousin) helps and guides a younger or less expert teina (originally a younger sibling or cousin). In a learning environment that recognises the value of ako, the tuakana–teina roles may be reversed at any time. For example, the student who yesterday was the expert on te wā and explained the lunar calendar may need to learn from her classmate today about how manaakitanga (hospitality) is practiced by the local hapū.

## ACADEMIC LEADER

Kaia Silva

Kia Ora,

This week for 'Spotlight On' we have a piece about a podiatrist, which is a pretty interesting career path. Make sure to check this out!

Well done to all seniors who had their mock exams this week. I'm sure you were all working hard towards the results you want.

During the holidays, make sure you take a well-deserved break and do the things you enjoy.

Come back into Term 4 ready to work hard towards your exams.

Ngā mihi,  
Kaia Silva

## COMMUNITY LEADER

Emilia Scott

Kia Ora,

We've now finished Term 3. Well done to all our senior students who completed their mocks. You can now enjoy a well-deserved break.

Our senior students only have a couple weeks of school left before their exams commence. My advice to everyone is to make the most of this time.

This has been an extremely busy term. Many of our sports teams went away on tournament, we had two sport exchanges, we had the music awards, our kapa haka awa, and we have had our mocks. Well done to everyone involved in these activities.

I hope you all enjoy your break, see you after the holidays.

Ngā mihi  
Emilia Scott

## SPORTS LEADER

Sha-meel Chengan

Kia Ora,

The term is over!  
Just like that we have reached the end of the term and already we have had so much happening. A few weeks ago, we had our junior and senior boys' basketball team reach the finals, held in New Plymouth. Unfortunately, both teams fell short of first place but we are all very proud of you for representing our school. Congratulations also to all four of our Year 7 and 8 mixed basketball teams for placing in the top four. Thank you to all students who supported them during this time. Congrats to our boys representing Te Paepae o Aotea in the Taranaki U20 netball. Huge thanks to all our coaches/sponsors/parents and community who have supported all our TPOA teams. Lastly, to our seniors, prizegiving is just around the corner, along with exams, so study hard and finish the year strong.

Have a good holiday, stay safe and enjoy your time away.

Ngā mihi  
Sha-meel Chengan

## CULTURAL LEADER

Tamati Horo

Kia Ora,

I'm sure you're all very excited for the end of the term, as am I. Still, seniors, remember to study and finish any outstanding internals.

This week we held LRA Karaoke. It was so good to see everyone there having a good time. Well done to everyone who participated and a massive thanks to the cultural committee who stepped up to lead this when I was not there.

I hope you all enjoy a well-deserved break. Take time to relax and rest, but keep in mind, exams are just around the corner.

Have a good break everyone, see you next term.

Ngā mihi,  
Tamati Horo

# PODIATRY SPOTLIGHT ON!

## Linley Ladd PODIATRY

Podiatrists are medical specialists who help with problems that affect your feet or lower legs. They treat injuries as well as complications from ongoing health issues like diabetes.

To become a podiatrist, you need a Bachelor of Health Science majoring in podiatry from Auckland University of Technology (AUT)

They intake approximately 50 students each year. This is a very rewarding and hands-on career. You get to be your own boss and set your own hours!

Podiatrists earn between \$50,000-\$100,000 depending on experience.

Rural areas are screaming out for podiatrists.

## BARBARA LEYDON JUNIOR DRAMA FESTIVAL

This is the first year Te Paepae o Aotea has entered the Barbara Leydon Junior Drama Festival hosted by the Hāwera Repertory. We entered two plays: a senior student performance and a junior student performance.

The senior students performed "Last Match" by Paul Mason. The play deals with the survivors of the shipwrecked General Grant in 1866 and their battle for survival. The students involved were Shauri Lucando, Elizabeth Cudby, Anastazja Kowal, Erina Frearson & Lauren Kalin. They performed magnificently and were able to portray a darker more emotional subject matter.

Our junior students performed "Waiting for Toni" by James O'Sullivan. This play is a fun story about two students waiting for the chance to play the latest and greatest video game. While waiting they meet a bunch of weird and wonderful characters and even the most extraordinary boy in the world. The juniors involved were Elliot Coogan, Rheein Luke, Jireh Tautuku, Jack Clarke, Eva Soothill and Anthea Sharrock. With such passion for performing this won't be the last time these students are on stage. Both plays were received brilliantly and great praise was received from members of the public.

## TE HUIHUNGA O NGĀ TATARAKIHI FESTIVAL

This term our Year 7 and 8 Kapa Haka group performed at the Tatarakihi competition in Waitara. The students practised throughout the year under the guidance of Tere Diamond and were extremely well prepared for the competition. Other placements for the festival: 3rd Place - Manukura Tane; 3rd Place - Whakaekae; 3rd Place - Poi; 1st Place - Haka; 3rd Place - Whakawatea. Our students placed 3rd overall.

# TAUPAENUI BADGES

**Are you ready to embark on an exciting journey of learning and exploration?**

**Te Paepae o Aotea Taupaenui Badges are our homework program for year 7 & 8 students.**

What are Taupaenui Badges, you ask? Well, imagine a treasure trove of fascinating homework projects, each one a shiny badge waiting for you to earn. From the depths of history to the wonders of science, and everything in between, there's a badge for every curious mind.

## **Here's how it works:**

Taupaenui Badges is completely optional, but oh-so-rewarding! You get to choose which badges you want to tackle, whether it's diving into the mysteries of space or uncovering the secrets of ancient civilizations. Each badge comes with a variety of tasks, each worth a different number of stars.

Your mission, should you choose to accept it, is to complete a total of 20 stars' worth of tasks to the best of your ability. Don't worry, you can complete them either digitally or with good ol' pen and paper – whatever suits your style!

Once you've conquered your chosen tasks, it's time to submit them to the one and only Mrs Surgenor for marking. If your work shines bright like a star in the night sky, you'll be rewarded with a certificate of achievement and, drumroll please, your very own Taupaenui badge!

**Picture yourself proudly wearing that badge at the next Awa assembly, knowing that you've ventured into the realms of knowledge and emerged victorious.**

**So, what are you waiting for? Let the quest for Taupaenui begin!**

**Dive in, explore, and let your curiosity guide you to greatness. The adventure awaits!**

# Sports News

It's been another busy term with sport exchanges, TSSSA, national and local competition and the odd LRA event.

Students and teams have continued to show resilience and determination to reach goals and do their best by giving it a go. Behind every successful team or individual there is another 'TEAM' who are part of drivers to success. It is our coaches, managers and whānau who support with trainings, driving to games, positive support from the sidelines and being there when needed. Thank you for everything you do to provide opportunities for our students to shine.

Playing sport helps your mind, body and soul – you feel good when you are out running around, you create memories when you play alongside your teammates and it's a great way to meet and socialise with different people.

This term, teams/individuals have experienced the highs of success and lows through losses and disappointment. It's important to say, it's OK.

How you hold yourself and your actions is important – be humble and resilient. Take a moment to reflect on what went well and what may need to be a work on, turn and congratulate that person/team who played slightly better on the day because they deserve it too.

Good luck to all the students playing in tournaments during the term break. Safe travels and do your best. Represent your whānau with pride. No matter the result, you are already winners in our eyes.

## **Basketball**

Congratulations to our four Year 7/8 Mixed Basketball teams who finished in the top 4. Finals took place on Wednesday and we saw some outstanding play. Thanks to our student and parent coaches for overseeing teams. Thanks also to Hawera Basketball for running a great competition.

Special mention goes to Kymanii Tautuku-Walker named 2024 Boy MVP.

## **Touch**

School grade touch started last week with six Year 7/8 teams entered and a few secondary teams. Games are played on Thursday from 4pm at the Hawera Soccer fields on Turuturu Road. Our Senior Mixed Touch team will compete in the 2024 NZ Secondary School National Touch Tournament in Rotorua, 6 – 8 December.

## Year 7-8 Volleyball

Te Paepae o Aotea entered two teams in a Volleyball Tournament. There were some talented teams who have playing together for a long time. Our teams supported each other showing amazing fair play. They were a little dusty at the start however improved throughout the tournament and had a lot of fun.

## Taranaki Primary School Cross Country

22 students attended the Taranaki Primary School cross country champs at the show grounds. Around 1300 students from all around Taranaki participated with over 100 participants in each year level. All students ran well with some great results.

Well done, Tayla Sturgeon, who ran 3km in 12.09, winning her race.

1st – Tayla Sturgeon, Year 12 Girls

7<sup>th</sup> – Mason Lord, Year 13 Boys

10<sup>th</sup> – Alyssa Mills, Year 10 Girls

13<sup>th</sup> – Mya Cooper, Year 13 Girls

## Sports uniforms

If you have a sports uniforms at home, please return it to the sports office or main school office to avoid a \$50 uniform charge.

## Sport/Event Fees

Sports events fees have been added to your child's school account. Please endeavour to pay these before year end. This would be very much appreciated.

## Student Achievement

Please advise any event success whether school or club so we can celebrate your success.

*Kia eke atu ki Taupaenui o te tangata*

Te Paepae o Aotea promotes our school values (Aotea, Taupaenui and Paepae). We show **Taupaenui** by being the best version of ourselves. This applies to players, referees, coaches, managers, administrators, and all personnel involved with our sport teams.

Our guidelines outline how we help, cheer and celebrate from the side lines demonstrating **Taupaenui** within our sport.

**Taupaenui means we will:**

- Respect all players, referees, coaches, managers and supporters.
- Cheer the efforts of all players, including the opposition because we're all doing our best.
- Support the coaches and managers. They are volunteers.
- Keep all communication and actions positive in our environment.
- Show others that we know the meaning of **TAUPAENUI**.
- Celebrate the fact that we have the opportunity to watch our rangatahi enjoy themselves.

Showing **Taupaenui** means that we value, we support, we unite in good sportsmanship on and off the field. We will strive to reach our full potential in a positive and supportive environment.
