Newsletter – 8 November 2024

Kia ora e te whānau

The transition visits for our incoming Year 7 and 9 students started this week. It was great having them onsite learning more about our school and what their learning will look like next year. Each of our feeder schools have two whole day visits this term and families are also welcome to attend our open evenings every Wednesday evening. Tours depart from the school library at 4.00pm, 4.30pm and 5.15pm.

Enrolments for 2025 are well underway. We have close to 100 new enrolments so far. Please keep encouraging people you know to get enrolments in as soon as practicable. The earlier we have these enrolments on the system, the better we can ensure all students are allocated to the right awa, whānau class and learning classes.

Our junior students started on their new mini semester timetable this week. As mentioned in our last newsletter our Year 10 students are transitioning to Bayly Park and our senior school over the next few weeks. Year 7-9 students are focusing on specific learning concepts they need at each of these year levels. Foundations (Literacy and Numeracy) remain each morning as these skills are critical for our students' success but block 2 and 3 have had significant change.

Senior students have started their NCEA examinations. Mrs Reid, our exam centre manager, has reported that they are well prepared and putting their best foot forward. Results will be available mid January. Students who sat the Common Assessment Activities (CAA) Literacy and Numeracy papers in September will have results released by NZQA at the start of December.

Later in the term our junior students are having a week of camps and activities. These camps and activities give our students an opportunity to experience real-world environments, enhance student development, foster key competencies as well as promote our school values of Aotea, Paepae and Taupaenui. We are very thankful for the support that our students receive from their whānau and the wider community to make these camps and activities happen.

Our junior prizegivings are at the end of term on 10 December for Year 9 and 10 students and 11 December for Year 7 and 8 students. Please save this date. We are looking forward to you all joining us.

Government announces changes to school lunch programme

The Government announced changes to Ka Ora, Ka Ako | Healthy School Lunches programme.

Students will continue to receive nutritious meals they know and love, helping them to learn and thrive at school.

From Term 1 next year, our lunches will be provided by the School Lunch Collective, led by Compass Group and supported by a number of food manufacturers and suppliers. These hot and cold meals will be delivered daily and will meet the same nutrition standards as our current lunches.

Our ākonga in years 0-8 will receive a 240-gram lunch, the same size our learners in years 4-8 currently receive. Students in years 9 will receive a meal of at least 300 grams.

There are no changes for our ākonga with complex special dietary requirements. Their meals will continue and will be funded at the current settings.

Timetable 2025

Changes have been made to the school timetable for 2025 following the collection of student, whānau and teacher voice.

Now that most students have made their subject selection for 2025, we have made a few changes to subject lines. Whānau teachers will have student selections available for confirmation next week. Pastoral Leaders will be available in G11 for students to make changes during Whānau time.

School Policies

The school has a subscription with SchoolDocs to maintain, update and review our policies. SchoolDocs provide us with a comprehensive core set of policies that are well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school and we supply specific information such as our charter together with procedures for behaviour management, reporting to parents, etc.

SchoolDocs update, modify or create policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools and regular reviewing from the SchoolDocs team.

Sports News

Last week our Senior students finished the year. It was great to celebrate their achievements at Senior prizegiving and we offer our congratulations to all our sports recipients who received team awards for Aotea (Fair Play), Paepae (Most Improved) and Taupaenui (MVP).

Te Paepae o Aotea is extremely lucky to have talented students participating and performing well in sports with three students nominated for the Taupaenui Overall Sports Award: Elliot Wills, Maddison Sturgeon and Peyton Nelson. These students showed perseverance, dedication and discipline in their sports and performed at a high level and each deserved their nomination.

Year 12 student Elliot Wills was named Taupaenui Overall Sports Award. Elliot has achieved incredible results in Athletics. Elliot also received a Kukri donation of \$500 to assist with School Sport fees. Thank you Kukri for providing a generous donation.

Head Sports Leader, Sha-meel Chengan

Thank you for all your work throughout the year. You had activities happening at lunchtimes, were an amazing coach for many of our Junior teams and delivered helping out at events. You were by far a favourite to our junior students, someone to whom they looked up to. A great leader, student and mate to all – students, whanau and staff.

Congratulations to **2025 Head Sports Leader – Baxter Hunt**. We look forward to working along side you, seeing what more can be achieved in the sports space.

TSSSA Ki o Rahi

Three teams participated in this event held last week. Kī o rahi is an exciting maori sport played with a round ball called a kī. It is a fast-paced game incorporating skills similar to rugby, netball, ripper and touch. One of our teams placed 3rd. Thanks to Matua Anaru for the training and getting our students up to speed.

TSSSA Junior Touch

One girls team participated in Junior Touch this week. This team played with six girls, no subs. Games were back to back with little time to rest. You played amazing touch and did not give up.

Nevaeh Ratahi, Esme Colban, Ani Erb, Jahliyah Hori, Porsha Lasike and Nevaeh Abraham-Pullen: you showed mana and perseverance and upheld our school values. Well done on your efforts.

Get involved in TSSSA

Events run by Taranaki Secondary School Sports Association is a great way to try a new sport. These sports are aimed for Y9-Y13 students. Most events offer a competitive and a social grade to encourage participation.

To our Y8 students transitioning into Y9 next year, get involved in individual and team events. These are great events and you can make up your own teams with friends.

Our sports coordinator will organise an event if it is well supported. So don't wait till the last minute. Give it a go, especially for events held here. Listen to the notices and get yourself or team registration in before the cut off date.

To our departing senior students - good luck in your exams. Have an awesome summer and we wish

Competes at Gymnastic New Zealand Gym Club Challenge

Te Paepae o Aotea congratulates Jemma Gibbs a Year 10 student who competed the Gymnastic New Zealand Gym Club Challenge held in Palmerston North recently. This is an important event for recreation/novice gymnasts with over 500 gymnasts attending.

Gemma was a member of the Youth Coach team which competed in three disciplines: Floor performance, Mini trampoline and vaulting table and Tumble skills. Jemma and her team finished in 3rd place, which is an outstanding accomplishment.

Jemma is also a gymnastic coach in training, running four classes a week of all ages from five to adults.
