

TE PAEPAE O AOTEA

Kia eke atu ki Taupaenui o te tangata

Newsletter – Friday, 8 May 2026

Kia ora e te whānau

As we head into the winter sports season, we remind all students and whānau that representing Te Paepae o Aotea means upholding our values of Aotea, Taupaenui and Paepae at all times. Students are expected to play for enjoyment, show commitment to their team and demonstrate respect for coaches, referees, teammates and opponents. Positive sideline behaviour, appropriate language and encouragement of others are essential, as is playing by the rules and showing humility in both winning and losing. We appreciate whānau support in reinforcing these expectations so that all our teams can thrive in a positive and supportive environment.

This week, our Year 7 and 8 students represented the school at the Manukorihi Intermediate exchange. Games were played in great spirit and our students certainly did us proud, narrowly losing 7–6 to Manukorihi across the 13 games played. A massive congratulations to all students who participated. We look forward to hosting Devon and Highlands later in the term.

We often see attendance drop in Term 2; however so far this term, that has not been the case. Well done to everyone supporting our students to attend school every day. Throughout the term, you will see attendance messages shared through the school app. These are reminders of the importance of daily attendance.

Next week is Support Staff Week, an opportunity for us to celebrate our wonderful support staff who keep our school functioning smoothly. We have a few surprises planned and we are sure they will appreciate acknowledgements from our students and whānau for the amazing mahi they do.

CAA's (Literacy and Numeracy Common Assessment Tasks) are fast approaching in Week 6 for our Year 10 and 11 students. Teachers are offering additional support both in class and after school. Please encourage your child to make the most of these opportunities.

Marae visits for our junior students took place last week. These visits provided an opportunity for students to learn the school haka in preparation for the inter-awa haka competition on 29 May 2026. You are all most welcome to join us for what will be a fantastic afternoon.

Ngā mihi nui

Geography	B1	Monday Odd weeks (1,3,5,7,9)
Psychology	B5	Wednesday

Attendance IS a Shared Responsibility

Improving attendance works best when school and whānau work together.

You can help by:

- Letting us know as soon as your child is absent or late
- Booking appointments outside school hours where possible
- Talking with us early if attendance is becoming a challenge

We're here to support — not judge.

Together, we help our students reach their full potential.

Expressions of Interest to Host International Students 2026

As part of our school's long-term vision to enrich cultural understanding and global engagement, we are currently in the process of applying for accreditation to welcome international students to our community in 2026.

If you are interested in hosting a student in the future, please register your interest here. (Host families will be paid a weekly fee)

[EXPRESSIONS OF INTEREST TO HOST INTERNATIONAL STUDENTS 2026](#)

Prevent the spread of illness

Cooler weather means more people are likely to get sick with colds, flu and other respiratory illnesses, such as whooping cough. This increases the risk of these illnesses being brought into your home, workplace, Early Childhood Centre, Kōhanga or kura/school.

Prevent the spread of illness in your centre

Remind everyone that sick tamariki or staff should stay at home.

Ask whānau to let you know the reason for their tamariki being absent.

Regular cleaning of high touch surfaces e.g. door handles, counter tops, bathroom areas.

Good ventilation is an important way to reduce the transmission of respiratory viruses in indoor spaces where people gather and spend time.

Encourage people to wash hands, cover coughs and sneezes, wear a mask if indoors in crowded areas.

Prevent the spread of illness

1. Everyone that is sick should stay home.
2. Let us know the reason your child is absent from school.
3. At school and home we can all help by regularly cleaning high touch surfaces, e.g., door handles, counter tops, bathroom areas
4. Wash hands, cover coughs and sneezes, wear a mask if you feel like you need extra protection.

School Policies

The school has a subscription with SchoolDocs to maintain, update and review our policies. SchoolDocs provide us with a comprehensive core set of policies that are well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school and we supply specific information such as our charter together with procedures for behaviour management, reporting to parents, etc.

SchoolDocs update, modify or create policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools and regular reviewing from the SchoolDocs team.

We invite you to visit the site at <https://tepaepaeoaotea.schooldocs.co.nz>

Updating Student Contact Details

If your contact details or your child's emergency contact information has changed, please notify the school office administration team with the updated details. Thank you.

School Uniforms

All school uniform items are purchased through

tepaepaeoaotea.nzuniforms.com

The school office has a full uniform set available for sizing purposes only

Second Hand Uniforms

Do you have uniform items at home you're no longer using? Bring them in clean to the office — our pastoral team will pass them on to students who need them.

HEAD ACADEMIC LEADER

Adam Stables

Kia ora koutou

As we move further into Term 2, the Academic Council is continuing to provide opportunities for students to get involved, stay focused and make strong progress in their learning. Our next LRA, The Amazing Race, is coming up in Week 6. This will be a fun, fast-paced challenge where students can work together, solve tasks and earn points for their awa. Sign-ups will be released shortly, so keep an eye out and get involved. For senior students, the B14 study classroom is now open every lunchtime. This is a quiet space where you can complete work, revise, catch up or prepare for assessments. Make the most of having a dedicated place to study during the school day. Senior subject tutorials are also available after school for many subjects. If you need extra support, clarification, or time to strengthen your understanding, speak with your teachers about what is available. Progress is not always easy to see straight away, but every bit of effort builds confidence and capability. Keep working hard, stay focused and make the most of Term 2.

Ngā mihi, Adam Stables

HEAD CULTURAL LEADER

Taiharuru Ratima

Tēnā koutou katoa

The inter-awa kapa haka competition is just a few weeks away. Let's all give it heaps at our weekly awa practice sessions. It's important that we all make an effort to learn the words and actions and work together to perform as awa.

Waiata like He Pikinga Poupou grounds us in our identity as a Taranaki kura. He Pikinga Poupou, composed by renowned kaumatua Ruka Broughton, speaks to our local history of land confiscations and the resilience of people. It encourages us to hold fast to our cultural identity and heritage, a message that is relevant to us all as we strive towards taupaenui – achieving our own potential.

Noho ora mai, Taiharuru Ratima

HEAD COMMUNITY LEADER

Lauren Kalin

Kia Ora

As always, we're busy over in the Community Council, organising events for all of our students to enjoy. With May being Mental Health Month, our council has decided to turn Week 4 into a jam-packed week of activities to boost Hauora and wellbeing here at Te Paepae o Aotea. Throughout the week, students can take part in LRA Bingo to earn awa points, create positive affirmation notes to be shared with others, enjoy colouring-in activities and finish the week with a photo frame opportunity. These activities are designed to promote Aotea, positivity and connection across all year levels and we encourage everyone to get involved. Our Milk Bottle Tops initiative continues to run throughout the rest of Term 2, continuing into Term 3. It's awesome to see some many students getting involved and bringing in bottle caps. Keep it up if you want your awa to win!

Exciting news... the annual shave-a-ton date is confirmed for 16 September. SO, if you're keen to buzz or cut your hair for a good cause, this is the perfect opportunity to do so. Here is the link to sign up. Contact Lauren Kalin if you have any questions! <https://www.shaveforacure.co.nz/fundraisers/tepaepaeoate>

Ngā mihi, Lauren Kalin

HEAD SPORTS LEADER

Theo Soothill

Kia ora whānau

After a great first week back, it was awesome to see students settling back into the rhythm of another exciting term. A highlight of the week was Friday's cross-country event, with fantastic participation and plenty of smiles out in the sun. Congratulations to everyone who competed, especially those who placed in their races.

Term 2 is shaping up to be a huge one for sport at our school, with winter sports seasons beginning over the next few weeks. The Sports Council also has some exciting LRA events coming up, including dodgeball and multisport next week, followed by volleyball in Week 7. Make sure you get involved and earn points for your awa.

Looking ahead, our annual Town vs Country competition returns in Week 11 and promises to be bigger than ever. We want to see packed sidelines, positive support and plenty of school spirit throughout what will be a busy and exciting sporting term.

Ngā mihi, Theo Soothill

Celebrating 95%+ Attendance

Pātea awa celebrated our seniors amazing attendance from term one with our juniors having received theirs last week. 95% or higher attendance was rewarded with a canteen voucher for their efforts. We also acknowledged Eden Harvie & Tristan Potroz as our Term one overall Pātea superstars. They were both nominated for this having been noticed as being outstanding all term long. Our Term 2 superstars for week one and two were Ollie Shaw, David Meyer & Ryan Finey. Recognition for some great role models to their peers, ka rawe! Up the Pahs!

SPORTS Talk

Action City at Te Paepae o Aotea

Our Te Paepae o Aotea sports teams have hit the ground running, with Netball, Basketball, Rugby, Hockey and Football all well underway. Add in Sports Exchanges and TSSSA events and you've got non-stop action and awesome opportunities happening right across Taranaki.

We currently have teams competing most days of the week:

- Monday – Senior Basketball
- Tuesday – Hockey & Football
- Wednesday – Girls Rugby & Basketball
- Thursday – Junior Basketball
- Saturday – Netball & Rugby
- Sunday – Netball

If you're keen to watch, cheer or support – get along, especially to our home games. Having students, whānau and community on the sidelines makes a huge difference. That support can be the extra boost our teams need.

Draws and game times are shared via school socials and displayed at the Sports Office window.

U16 Girls Rugby – On the Rise

Our U16 Girls Rugby team is shaping up to be a strong, competitive and highly driven group in 2026. Coached by Pare O'Brien, this team is growing week by week and building real confidence.

The 12-week competition sees all girls' rugby teams playing at one venue, with at least two games each night. This week team faced NPGHS, our girls had an outstanding evening, winning both games.

After the match, it was awesome to hear the team talk positively about their performance, show belief in each other and reflect with pride. That energy says it all – exciting times ahead.

First XV Rugby – Building the Season

Our First XV has been gearing up under the guidance of Biff, Shaan, Tui and Sheveal. The commitment at trainings has been pleasing to see, along with the positive inclusion of players from Pātea Area School.

The season kicked off against familiar opponents Waitara Whānui, who they faced in last year's final. A tough start, but the boys grew in confidence as the game progressed, finishing with a 28–7 result.

This week they take on FDMC 2nd XV in New Plymouth – plenty to play for as they continue to grow as a unit.

Hockey – Growing Strong

Hockey numbers have grown this year, which is awesome to see. We now have two mixed teams competing on Tuesday nights in the boys' section.

- 1st XI team
- Development team

These teams are coached by our tumuaki, Rachel Williams and supported by long-standing manager Deidre Coogan. We're excited to see their development and results throughout the season.

Netball – 9 Teams, Let's Go

This weekend sees nine Te Paepae o Aotea netball teams competing in the Hawera Satellite competition.

Our Senior A team is also running the Future Ferns Programme for keen Year 1–4 netballers - what an awesome way to give back and grow the game. This year, Senior A are competing in Hawera, working hard to regain Premier 3 status and preparing to attend the Lower North Island Netball Champs in August.

Basketball – Big Scores & Big Energy

Our Year 7/8 basketball teams kicked off last week with some outstanding games and great teamwork on display. Huge mihi to our student coaches, who bring energy, laughs and great guidance – keep up the awesome mahi.

- Senior Boys – BYE this week
- Junior Team – powered past Ōpunake HS with a huge 121–74 win

Manukorihi Sports Exchange

A massive 145 students attended our first Year 7/8 Sports Exchange at Manukorihi on Wednesday. The weather played its part, setting the scene for some fantastic games.

Huge thanks to Michelle for capturing awesome action shots and to Tania and Manukorihi School for hosting such a successful exchange. Special shout-out to the Waitara High student referees, who did a stellar job officiating.

The final result was incredibly close – we narrowly lost by just one point, with Manukorihi taking the overall win. An awesome day of sport and school connection.

Outstanding Student Achievement

Blake Riddle – Congratulations on placing 1st overall in Round 1 of the WPKA Goldstar Series. What an awesome achievement.

TSSSA Events

This term we've already had:

- 5-a-side Football
- ESports

Both events saw strong participation from schools across Taranaki. Well done to all our students who competed and represented our kura with pride.

Uniform Returns – Important Reminder

Last chance to return sports uniforms before a \$50 bond is added. Please return these as soon as possible.

Positive Vibes Only

Keep up the great work everyone. Play hard, play fair and show respect to umpires and opponents. Rise above the noise and be leaders on and off the court and field.

Whānau – your positive, encouraging support on the sidelines makes a huge difference. Let's continue building a sporting culture we're proud of.

'Lock in, Do the MAHI, get the TREATS' – Johan Leef-Luke

For all sports queries, please contact Vicki Roberts, Sports Coordinator, via email, vicki.roberts@tepaepaeoaotea.school.nz
