Introduction

Our school uses the eSchool online application form for international student enrolments. This system enhances the enrolment experience for agents and students while streamlining the processing of applications.

To assist you with the application process, please review the following key points:

- Applications must be **completed in English**.
- Applications can be initiated by either an **agent** or a **student**.
- Applications can be saved as a draft – this will generate an email with a **unique ID link** and **passcode**. Click this link to continue working on the application.
- An agent can use the unique ID link and passcode to review the final application prior to submit.
- When all sections are complete, click **Submit Application**

Step 1: Information Required

Before beginning your application, please ensure you have scanned copies of the following documents ready to upload:

- Current student passport (if available)
- Parent or legal guardian passports
- Student birth certificate
- Portrait photo of student (passport-style or similar)
- Two most recent school reports (translated into English)
- Handwritten introduction letter from the student
- Vaccination certificates, if available (English translation)
- Insurance certificate, if available (English translation)
- Any other relevant files (e.g. letter of reference, photo collage, personal letter of introduction to the school)

Step 2: Start the Application

There are several ways to access our school's online student enrolment application:

- Click on the application link provided: www.schoolname.enrolment.school
- Visit the international page on our school's website and click **Apply Now**
- Go to www.schoolsnz.com and click **Apply Now**

This will take you to the Introduction page. To begin the application, click **Start Application**.

Important: You must include all relevant information about the student in this application. This will ensure that the student is correctly supported upon arrival and matched with a suitable homestay, teachers and subject courses. Where information relates to health issues or learning needs, honest disclosure of information will NOT automatically disqualify the student from enrolment. However, failure to disclose or providing misleading information may result in the withdrawal of an Offer of Place or termination of a Contract of Enrolment.

Before you begin this application, please have scanned copies of the following documents ready to upload:

- Current student passport
- Parent / legal guardian passports
- Student birth certificate
- Portrait photo
- Most recent two school reports (English translation)
- Hand-written introduction letter from student
- Vaccination certificate, if available (English translation)
- Insurance certificate, if available (English translation)
- Any other relevant files eg letter of reference, photo collage

Short-Term Study Groups: In this application, there is an option in the next section to select 'Applying as part of a short-term study group'. Less information is required when this is selected and not all the documents noted above are required to be uploaded.

Step 6: 13. Contracts – Read and Sign

- Read the Declaration and Contract Documents carefully (click on **View The Contract** to open each individual contract or agreement.)
- Select **Yes** to confirm the Contracts have been read and understood.
- Complete the three signatory fields, click **Sign Contracts**. Note: Please wait while all signed contracts are being generated. An email will then be sent with an application summary and a link to the signed contracts.

Note: Education Agents are not ordinarily authorised to sign these documents.

Step 7: Submit Your Application

Click **Submit Your Application** - your application has been submitted.

Confirmation emails will be sent to the agent, school and applicant with a full summary of the application and documents.

Support

The International Student Enrolment Application is part of the eSchool software platform which is created by Nui Software.

If you require support during the application process, please click **Contact Us** at the bottom of the application to send the eSchool helpdesk team an email.

Alternatively, you can contact our school directly.
