Newsletter – Friday, 16 October 2026

Kia ora e te whānau

Term 4 has begun and it has been wonderful to welcome our students back for our first week of learning. Term 4 is always an exciting time of the year as our senior students prepare for examinations and we look ahead to our end of year celebrations.

Our Senior Prizegiving will be held on the evening of 4 November and our Junior Prizegivings will take place on our final day of school, 9 December. We encourage you to join us as we celebrate the many achievements, successes and contributions of our students throughout the year.

Our Year 13 Leavers' Dinner will be held on 30 October. This event provides an opportunity for students, staff and whānau to come together and celebrate the journey our Year 13 students have undertaken during their time at Te Paepae o Aotea. It is always a special occasion and a fitting way to acknowledge the growth, learning and memories created over the years.

This year, we have also added two new events to our school calendar: the Year 10 Formal on 1 December and the Year 7 and 8 Celebration on 2 December. Students have been informed of the attendance and behaviour criteria required to attend these events during assemblies this week. Students must maintain attendance of at least 80% and have no external stand downs. If students are unsure whether they have met the criteria, they should connect with their pastoral lead.

Later in the newsletter, you will find information about Te Paepae o Aotea partnering with Southern Rugby from 2027 onwards. This is an exciting development for our community and will provide a clear and consistent rugby pathway for young people throughout South Taranaki. We are seeking community members who would like to contribute to this initiative, so please read the information provided and consider becoming involved in this exciting community venture.

Hopefully, you have enjoyed the photos showcasing the work currently being undertaken in the Te Ramanui Block. This has been a significant project, with the existing roof being completely removed and replaced with a new pitched roof. By the end of this year, we expect to be able to move back into the art rooms, library, new toilet facilities and two general classrooms ready for the start of the new school year. The focus for Term 1 next year will be completing the roofing work over the textiles, food technology and Pātea classrooms. We are certainly looking forward to the end of Term 1 when all Te Ramanui classrooms should once again be fully operational. While this property work has been essential and long overdue, it has created considerable disruption throughout the year. Our students have responded exceptionally well and should be commended for the resilience, adaptability and positive attitude they have demonstrated while continuing to maintain high expectations of themselves and their learning.

If you have a senior student, please encourage them to make use of the afternoon study sessions available at school. The roster can be found later in this newsletter. We know that students who consistently attend and engage in these sessions are better prepared and often achieve stronger results in their external examinations. A huge congratulations to the following students who have already secured endorsement status for 2026. We look forward to seeing this list continue to grow and to supporting our Merit Endorsement students as they strive toward Excellence Endorsements. Please continue to encourage your child to aim high and do their very best.

This week, our pastoral team has also been discussing with students the updated expectations regarding skirt length which will come into effect from the beginning of 2027. The focus for this term is ensuring students wearing skirts have the pleats positioned correctly at the centre front and that skirts are being worn as intended rather than rolled at the waistband. It has been encouraging to see several students take the initiative to check their sizing with the office staff to ensure they are prepared for these expectations ahead of the new school year.

CAA Reading Assessment results were released this week. Parents and caregivers can log in to MyKAMAR (Parent Portal) to see whether their child has gained these credits. We now have 42 Year 10 students who have achieved their NCEA Literacy co-requisite, along with 86 Year 11 students. In addition, 93% of our Year 12 students and 91% of our Year 13 students have now achieved their Literacy co-requisite. Congratulations to all students who were successful in this assessment round. Results for the Writing and Numeracy assessments are due to be released on 27 October, so please keep an eye out for these updates.

Later in this newsletter, you will find the timetables for the 2027 school year. Over the past year, our curriculum team has been working carefully to understand and prepare for the implementation of the refreshed New Zealand Curriculum and the significant changes that will occur over the coming years. As a result, we have needed to make several adjustments to our timetable structure. These changes are designed to ensure that students have access to the depth of learning, teaching time and curriculum experiences required by the new curriculum.

At Te Paepae o Aotea, our theme for Term 4 is our school value of Taupaenui. As we move into the final term of the year, our focus is on what it means to finish well. Finishing well is about maintaining high standards right through to the end of the year, continuing to give our best effort and taking pride in our learning, attendance and behaviour. It is also about expecting excellence not only of ourselves but of those around us. I encourage every student to reflect on how they can demonstrate the values of Taupaenui during the weeks ahead and ensure they finish the year strongly.

BIG NEWS FOR Secondary School Rugby in South Taranaki!

We're excited to announce that Te Paepae o Aotea and Southern Rugby Club are partnering to support and grow secondary school rugby in South Taranaki from 2027.

There is incredible rugby talent in South Taranaki and we're creating the opportunity for players who have previously played for other clubs and attend schools across South Taranaki to be part of it.
This is about giving our rangatahi a consistent, welcoming pathway from junior rugby through high school and on into senior club rugby, with a strong sense of belonging along the way.

There's plenty still to be worked out, and we'll share more details as they're confirmed. To get things moving, we're looking for volunteers to join a sub-committee. We need help with coaching, gear, fundraising and getting the word out.
You don't need rugby experience, just a bit of time and enthusiasm.

Keen to be involved, or want to know more?
Email southernsharksrugby@gmail.com

Let's build something great for our tamariki and our community

Ministry of Health Update:

The Ministry of Health are no longer administering a second (top up) immunisation in schools (2026 onwards). All Year 7-8 students who had their immunisation earlier this year at school are now finished. (They can be given the last top up dose at their GP for free if you choose to arrange this.)

In October, the nurses will be coming back into school to administer catch-ups (Year 7-8 students who missed their immunisation in April at school). They will be following up with students they know did not hand in forms. If you are new to Te Paepae o Aotea and wish to have your child immunised at school this year, please email either:

School Policies

The school has a subscription with SchoolDocs to maintain, update and review our policies. SchoolDocs provide us with a comprehensive core set of policies that are well researched and follow the Ministry of Education National Administration Guidelines. The policies and procedures are tailored to our school and we supply specific information such as our charter together with procedures for behaviour management, reporting to parents, etc.

SchoolDocs update, modify or create policies in response to changes in legislation or Ministry guidelines, significant events, reviews/requests from schools and regular reviewing from the SchoolDocs team.

2026 HEAD LEADERS

HEAD ACADEMIC LEADER
Adam Stables

Kia ora koutou

Welcome back to Term 4. I hope you all had a good break and are ready for the final stretch of the school year. Now is the time to make the most of the weeks we have left. Whether you are finishing off internals, preparing for externals or working toward your personal academic goals, staying organised and making consistent progress will make a real difference. Endeavour to establish a revision routine, revisit topics you find challenging and make use of the resources and support available to you.

Remember, asking for help is a strength, not a weakness. Reach out to your teachers if you are unsure about something, and support your friends as they work towards their goals, too. While the end of the year can feel overwhelming, take things one step at a time and recognise the progress you have already made.

Let's finish the year strongly and make these final weeks count.

Ngā mihi nui,
Adam Stables

Tēnā koutou katoa

After the busyness of mock exams for seniors and all the other goings on for our junior school, I'm sure we were all happy to have a couple of weeks of school holidays. I hope everyone had fun, got to enjoy some family time and some down time during the break.

We're now moving into the last term with so many opportunities to throw ourselves fully into school life and put our school values of Paepae, Aotea and Taupaenui on display. Whether it's taking part in the upcoming LRA activities, preparing for and sitting end of year exams, Year 13s wearing crazy outfits for Dress Up Week, or any of the other myriad activities we have coming up. Let's go hard and make the most of our remaining weeks at school. Kia Kaha Tātou.

Noho ora mai,
Taiharuru Ratima

HEAD COMMUNITY LEADER
Lauren Kalin

Kia Ora,

Welcome back everyone. I hope you all had an enjoyable term break and are ready to get into the craziness that is term 4. Our Year 12 and 13s have just under three weeks left so it's important to be paying attention in class, attending after-school tuition and putting in your best effort to put your best foot forward for exams.

The official milk bottle top competition has wrapped up. It was awesome to see so many people getting involved. While we may not have won, a huge congratulations to all as we collected an average of 58 milk bottle tops per student, and a total 95.8kgs of milk bottle tops. You can continue to bring your milk bottle tops into school and we will collect them for recycling.

The upcoming LRA for the community council is gumboot throwing, so keep an eye out in the notices for the dates. There's only one term left, let's make it count.

Ngā mihi,
Lauren Kalin

HEAD SPORTS LEADER
Theo Soothill

Kia ora whānau

Welcome back to Term 4. I hope everyone had a great break and is ready for another exciting term of sport.

To kick off, we have our LRA Pickleball competition happening this week. Pickleball is a fun and fast-paced sport that combines elements of tennis, badminton and table tennis. It's a great opportunity for students to get involved, try something different, and show off their skills in a friendly and competitive environment. A big part of LRA is getting involved, supporting your awa, and showing teamwork, sportsmanship and pride in everything you do. Whether you are competing or cheering on your mates, make sure you get behind your awa and help create a positive atmosphere.

I look forward to seeing plenty of students getting involved in our LRA activities this term. Good luck to everyone competing in pickleball this week.

Ngā mihi,
Theo Soothill

2026 Student Exchange

Te Paepae o Aotea was thrilled to welcome three short-term exchange students in Term 3 who embraced every opportunity to experience our unique school culture, build new friendships and become part of our school whānau. Te Paepae o Aotea is proud to have been part of their New Zealand journey.

Kia ora,

I have really enjoyed my time at Te Paepae o Aotea. The teachers and students have been really helpful and made me feel welcomed. Since the day I arrived they haven't made me feel like an exchange student and treated me as one of them.

My time here was really fun and enjoyable and I am going to miss this a lot.

Sports Report - Term 4

Welcome back. We hope everyone had a fantastic holiday break and is feeling refreshed for the final term of the year.

As we head into Term 4, there are still plenty of sporting opportunities on our school calendar along with a number of after-school competitions. Being the first week back, there isn't a lot to report just yet, as much of this term is spent preparing for end-of-year prizegivings and organising fun sporting opportunities for students whenever we can.

A big shout-out to our Sports Leaders for running the LRA Pickleball sessions this week. It was awesome to see so many students getting involved, especially with the unpredictable weather making things a little challenging.

With our senior students finishing in November, many of the upcoming TSSSA events are aimed at Year 9 and 10 students. There are some fantastic activities coming up, including the ever-popular Modified Sports Week featuring Social Volleyball, Fast 5 Netball, and Beach Day. If you and your friends are keen to take part, pop into the Sports Office and register your interest.

Congratulations to all the students who represented our kura at tournaments over the school holidays. It has been fantastic hearing about the successes, achievements, and experiences. Please remember to send in your results so we can celebrate and recognise your achievements with the rest of the school.

Looking ahead, planning for sport in 2027 is already underway. Organising exchanges, whole-school events, and additional sporting opportunities takes a lot of coordination but we are committed to providing as many opportunities as possible for our students to participate, compete and grow.

We are also excited to be introducing a brand-new programme for our Year 7 and 8 students in 2027. This initiative will use sport as a vehicle for developing leadership skills, confidence, teamwork and personal growth. More information and application forms will be shared later this term, so keep an eye out for this exciting opportunity.

Rugby at Te Paepae o Aotea may also look a little different next year. We are currently working alongside Southern Rugby on a partnership to strengthen and grow our rugby programme. More details will be shared as plans develop, so watch this space.

Uniform Reminder: If you still have a school sports uniform at home, please return it to the Sports Office as soon as possible.

Make sure that you get involved in an activity this term.
