Kia ora e te whānau

Thank you to everyone who came along and supported our senior students at their prizegiving last week. It was a wonderful evening celebrating a wide range of student achievements. It was fantastic to see so many members of our community in attendance. Our students greatly appreciate the encouragement and support you provide.

The first of the NZQA examinations began this week, and it has been fantastic to see students arrive prepared and ready to do their best. A special thank you must also go to our junior students, who have stayed away from the Jubilee Gym to help maintain a quiet environment while senior students sit their examinations.

For the second year in a row, we have made the decision to keep our Year 11 students at school for a few weeks longer. Last year, we saw improved exam attendance and stronger achievement outcomes by keeping Year 11 students connected with their subject teachers during this period. Please encourage your Year 11 students to make the most of their class time.

Transition visits begin next week. We already have strong enrolment numbers for next year; however, if your child, or someone you know, has not yet enrolled, please encourage them to do so as soon as possible. The earlier students are enrolled, the better prepared we can be for class placements and other planning. Uniform fittings can be arranged through the front office. Families are welcome to visit after school on any weekday until 4.00pm, and our team will be happy to assist.

This year, we have also added two new events to our school calendar: the Year 10 Formal on 1 December and the Year 7 and 8 Celebration on 2 December. Students have been informed of the attendance and behaviour criteria required to attend these events. To be eligible, students must maintain attendance of at least 80% and have no external stand-downs. Students who are unsure whether they meet the criteria should speak with their pastoral lead.

Thank you to all families who have been working with us to ensure skirts are meeting the requirements in preparation for 2027. Students have responded positively to the conversations they have had with staff regarding the updated expectations. This term, our focus is on ensuring that skirts are worn as intended, with the pleat positioned correctly at the centre front and not rolled at the waistband. It has been encouraging to see many students take the initiative to check their sizing with office staff to ensure they are well prepared for these expectations ahead of the new school year.

Please keep 9 December free for our junior prizegivings. The Year 9 and 10 Prizegiving will be held at 9.30 am, followed by the Year 7 and 8 Prizegiving at 12.30 pm. Both events will take place at the HUB, and we look forward to celebrating with you.

Education Leaders Visit Te Ramanui Redevelopment

The visit by Minister of Education Erica Stanford and local MP Carl Bates provided an important opportunity to showcase the redevelopment of Te Ramanui and to help them gain a deeper understanding of both the property needs of our school and the unique complexities of our site. Their visit highlighted the progress that has been made to improve our learning environment, while also drawing attention to the work that still needs to be undertaken to ensure our facilities fully meet the needs of our students, staff, and wider community. The opportunity to walk through the site and discuss future priorities firsthand enabled meaningful conversations about how ongoing investment in our property can support student engagement, wellbeing, and achievement, while ensuring our learning spaces are fit for purpose both now and into the future.

School Uniform Skirt Guide

Skirt Length

- Skirts must be worn at or below knee length and no higher than 5cm above knee by 2027

Skirt Pleat

- Skirt pleat to be worn at the front

TE PAEPAE O AOTEA

Attendance IS a Shared Responsibility

Improving attendance works best when **school and whānau work together.**

You can help by:

- Letting us know as soon as your child is absent or late
- Booking appointments outside school hours where possible
- Talking with us early if attendance is becoming a challenge

We're here to support — not judge.

Together, we help our students reach their full potential.

TE PAEPAE O AOTEA

School Uniform Skirt Guide

Our Board of Trustees have reminded us that we have to wear our skirts correctly. This means wearing the pleat in the middle/front.

They have also stated that by 2027, all skirts are to be knee length. Most skirts can be altered (the hem can be lowered).

Please see Mrs Hopkins if you need to discuss support options in this space.

Host Families Wanted

We are excited to announce that we have welcomed our first international students.

A huge thank you to everyone who completed an Expression of Interest form to become a host family. We truly appreciate your support and enthusiasm for our international programme.

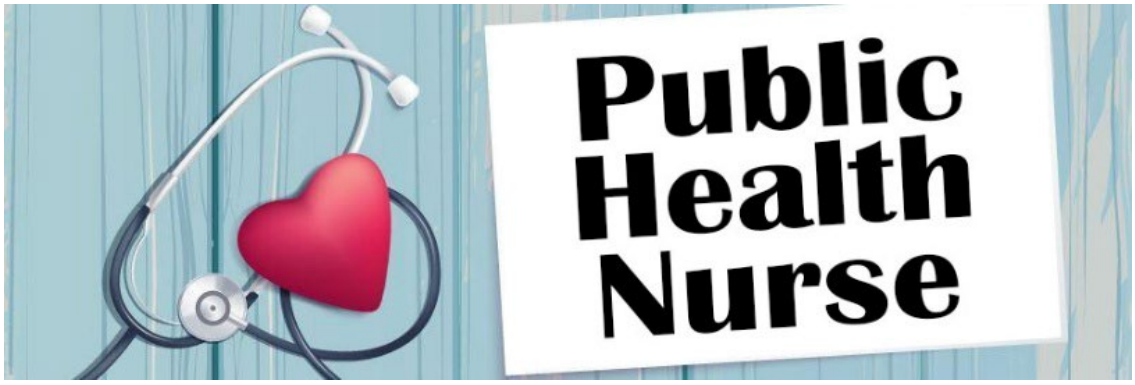

In this next stage, we ask that interested families please complete the full Host Family Application form by clicking on the link below.

For further information about the role, we have also included a link to our Caregiver Handbook.

Thank you for helping us create a welcoming and supportive experience for our international students.

MINISTRY OF HEALTH
MANATŪ HAUORA

Ministry of Health Update:

The Ministry of Health are no longer administering a second (top up) immunisation in schools (2026 onwards). All Year 7-8 students who had their immunisation earlier this year at school are now finished. (They can be given the last top up dose at their GP for free if you choose to arrange this.)

In October, the nurses will be coming back into school to administer catch-ups (Year 7-8 students who missed their immunisation in April at school). They will be following up with students they know did not hand in forms. If you are new to Te Paepae o Aotea and wish to have your child immunised at school this year, please email either:

Anne.Jonas@tdhb.org.nz or Naomi.Brown@tdhb.org.nz

SchoolDocs

Our school works with SchoolDocs to provide a website for maintaining, updating and reviewing our school policies. SchoolDocs has recently changed the way users log in to SchoolDocs sites – all community users will access our SchoolDocs site by signing in with Google. If you don't have a Google account (i.e. a Gmail address), there will be a new sign-in method for community users by the start of next year.

You can create an account and then view our school's policies by visiting

https://policies.schooldocs.co.nz/tepaepaeoaotea

SchoolDocs sites have an exciting new look and added functionality – you will be guided through new features the first time you access the site.

If you have any questions, please contact Te Paepae o Aotea tumuaki, Rachel Williams.

Year 13 Leavers Dinner

On Friday, 30 October, our Year 13 students gathered with staff to celebrate the end of their high school journey at a special Leavers' Dinner at Tika, to enjoy one final meal together before heading off on their next adventures in further study, training, or employment.

95%+ ATTENDANCE

Rewarding Commitment and Attendance

Good Attendance = 95%+ (missing one day or fewer per month)

ATTENDANCE MATTERS

Our senior students who achieved 95% attendance or higher were recognised and celebrated with a special day out in New Plymouth. Students enjoyed bowling, mini golf, and pizza as a reward for their commitment to being at school and making the most of their learning opportunities. Congratulations to all those students who maintained excellent attendance throughout the year.

ARMISTICE DAY

11am - Wednesday, 11 November 2026

Junior Awa Leaders represented Te Paepae o Aotea at the Hāwera RSA Armistice Day Service. Armistice Day commemorates the end of fighting in the First World War, when the armistice between Germany and the Allied forces came into effect at 11.00am on 11 November 1918. Each year, communities across New Zealand gather to honour those who served, remember the sacrifices that were made, and reflect on the enduring importance of peace.

Building Knowledge, Making Smart Decisions

Our Year 7 and 8 students began their Life Education sessions, focusing on substance use and abuse. It was encouraging to see the wealth of knowledge our students already have about the dangers and impacts of substance misuse. We look forward to building on this understanding throughout the programme.
